2025-03-20 Meeting notes

📅 Date 🔗

Mar 20, 2025

Finished tasks from last week 🔗

- Dashboard redesign
- PT assignment
- Chat
  - Create chatroom with PT on assignment

Agenda 🔗

- Test driven development, less efficient?
- Quality over quantity? Most basic functionalites are in place, should we focus on improving/polish the functionalities we already have?

Tasks 🔗

- Start code cleanup, frontend is a mess: August
- Allow users to send workouts through chat: Andreas
- Create group chat with multiple users: Daniel
- Add more exercises: Andreas
- Redesign UI: Karoline
  - Exercise list
- Sort PT by type: Karoline & Max
- Tests: Max
